

# Levels of Coverage.

## Premier (Plus)

Our best coverage! RED Shield Guard Premier Plus plans cover virtually every mechanical and electrical component on the vehicle with the exception of a small list of exclusions. This is our exclusionary level of coverage.

## Premium (Plus)

This is our stated component level of coverage. It includes coverage for the following: Powertrain, Electrical, Front & Rear Suspension, Anti-Lock Brakes (ABS), Air Conditioning, Electronics, Cooling, Fuel Delivery, and Interior/Exterior components.

## Powertrain Enhanced

This includes all of the RED Shield Guard Powertrain and RED Shield Guard Powertrain Plus coverage plus the components that fail the most frequently, including: Enhanced Electrical Components, Air Conditioning, Fuel System, Cooling Systems, and seals and gaskets in connection with a covered repair.

## Powertrain Plus

Covers all of the RED Shield Guard Powertrain components plus additional important components such as Electrical Components, Air Conditioning Components, and seals and gaskets in connection with a covered repair.

## Powertrain

Covers the most important components on the vehicle: Engine, Transmission, Turbo/Supercharger Drive Axles, and the transfer case. Also covers seals and gaskets in connection with a covered repair.

All coverage options come with free 24 hour roadside assistance, towing, and a rental car program

All of our protection plans are accepted at any ASE certified dealership or mechanic in the United States

## guard plans

## Cars have problems.

Everyone has insurance on their vehicles to protect them in the event of an accident. However, do you know that less than 20 percent of people ever need to use their collision insurance? On the other hand, nearly every vehicle will require repairs. An average engine costs \$7,349 to repair and the average transmission costs \$3,911. While these represent the major components, minor parts can still cost anywhere from \$300 to \$3,000.

The question you need to ask is simple: do you want to pay for these huge repair costs or would you rather someone else pay it for you? With a RED Shield vehicle protection plan, we pay the costs so you don't have to. In many situations, the cost of a single covered repair pays for the entire protection plan!

A mechanical breakdown can be very stressful, not only costing you money but time. This is why all our protection plans come with emergency roadside assistance, first day rental car benefits, and travel interruption coverage included at no extra cost.

With a RED Shield protection plan, you have someone to call if you are ever stranded by a breakdown. We will put you in a rental car and most importantly, cover the cost of your repairs to get you back on the road. We provide you with peace of mind, knowing your vehicle is covered by a company backed by an "A" rated insurer, with an "A+" rating from the Better Business Bureau, and a reputation for providing the best customer service in the industry.

## Costs WITHOUT RED Shield

Engine  
\$7,349

Power Steering Repair  
\$1,179

Transmission  
\$3,911

A/C Repair  
\$1,232

Drive Axle  
\$1,508

Front End Repair  
\$901

Powertrain Enhanced

Powertrain Plus

Powertrain

### engine

Harmonic Balancer, Oil Pan, Timing Chain Cover, Intake and Exhaust Manifolds, Valve Covers, Engine Mounts, Rotary Housing, Push Rods, Cam Followers, Valve Lifters, Valve Seals, Valve Retainers, Valve Seats, Rocker Bushings (Premier and Premium Plans Only), Pistons, Piston Rings, Crankshaft and Main Bearings, Connecting Rods and Rod Bearings, Camshaft and Camshaft Bearings, Timing Chain and Timing Gears, Intake and Exhaust Valves, Valve Springs, Oil Pump, Push Rods, Rocker Arms, Hydraulic Lifters, Rocker Arm Shafts and Water Pump. The Engine Block and/or Cylinder Heads is covered only if caused by the failure of a covered internally lubricated part. (All Plans)

### transmission / transaxle

All internally lubricated parts of the Automatic or Manual Transmission, including oil pump, drums, planetaries, sun gear and shell, shafts, bearings, side gears, carrier pinion gear, ring gear, shift rail, forks, synchronizer, and Torque Converter. Transmission/Transaxle Case is covered only if caused by the failure of a covered internally lubricated part.

### transfer case

All internally lubricated parts of the 4 x 4 transfer case. The Transfer Case is covered only if caused by the failure of a covered internally lubricated part.

### drive axels

Locking Hubs, Drive Shafts, Center Support Bearings, Universal Joints, Constant Velocity Joints, Axle Bearings, Four-Wheel Drive Actuator, and Differential Cover (Premier and Premium Plans). All internally lubricated parts. Drive Axle housing is also covered if damage is caused by breakdown of an internally lubricated covered part (All Plans).

### turbo / supercharger (factory only)

All internally lubricated parts of the factory installed turbo/supercharger. The turbo/supercharger housing is covered only if caused by the failure of a covered internally lubricated part.

### air conditioning / heating system

Air Conditioning Lines and Hoses, Idler Pulley, and Idler Pulley Bearing, High/Low Compressor Cut Off Switch, Expansion Valve and Pressure Cycling Switch. Oil and Refrigerant is covered in connection with the repair of a covered component listed above (Premier and Premium Plans). Condenser, Compressor, and Evaporator. Orifice Tube and Accumulator/Receiver Dryer is covered only if caused by the failure of a covered part (All Plans Except Powertrain).

### suspension

Upper and Lower Control Arms, Control Arm Shafts and Bearings or Bushings, Upper and Lower Ball Joints, Radius Arm and Bushings, Torsion Bars, Mounts and Bushings, Stabilizer Bar, Links and Bushings, Struts, Strut Bearing Plates, Spindle and Spindle Support, Wheel Bearings, Pannard Bar, Track Bar, Suspension Bumpers, Leaf Springs, Leaf Spring Shackles and Hardware, Load Assist Shocks, Shocks, Load Assist Springs, and Coil Springs. Variable Dampening Suspension: Compressor, Control Module, Dampening Actuator, Solenoid, Struts, Height Sensor, and Mode Selector Switch.

### steering

All Internally Lubricated Parts contained within the Steering Box; Rack and Pinion Gear, Power Steering Pump, Power Steering Hoses, Steering Knuckles, Pitman Arm, Idler Arm, Tie Rod Ends and Drag Link, Steering Dampener, Upper and Lower Steering Column Shafts and Couplings, including Internal Tilt-Wheel Mechanism, Steering Box and Rack and Pinion Gear Housings, Power Steering Assist Cylinder, Power Steering Pump Cooler, Twin "I" Beam & Bushings, Steering Travel Stop, Rear Wheel Steering, Rear Steering Shaft and Couplings, Power Cylinder and Pump, Electronic Control Unit/Solenoid, Phase Control Unit, Stepper Motor, Steering Box, Control Valve, Rack, and Tie Rod Ends.

### cooling system

Engine Cooling Belt Tensioner, Radiator, Heater Core, Thermostat, Blower Motor, Hot Water Valve, Engine Oil Cooler, Cooler Lines and Fittings (Premier and Premium Plans Only). Cooling Fan, Cooling Fan Motors, and Cooling Fan Clutch (Premier, Premium, and Powertrain Enhanced Plans Only).

### fuel system

Vacuum Pump, Fuel Tank, Fuel Tank Sending Unit/Switch (Premier and Premium Plans Only). Fuel Pump, Fuel Injection Pump, Metal Fuel Lines, Fuel Pressure Regulator, Fuel Sending Unit, and Fuel Gauge (Premier, Premium, and Powertrain Enhanced Plans Only).

### electrical

Alternator, Voltage Regulator, Heater Fan, Starter Motor, Starter Solenoid, and Starter Drive.

### enhanced electrical

Power Window Motors and Regulator, Power Door Lock Actuators, Power Trunk Switch, and Power Antenna Motor (Premier, Premium, and Powertrain Enhanced Plans Only). Numerous other electrical and enhanced electrical components covered with Premier and Premium Plans.

### brake system

Master Cylinder, Power Brake Cylinder, Vacuum/Hydro Assist Booster, Disc Brake Caliper, Wheel Cylinders, Compensating Valve, Brake Hydraulic Lines and Fittings, Hydraulic Control Unit, Hydraulic Trailer Brake Assembly and its Components. The following ABS Parts are also covered: Electronic Control Processor, Wheel Speed Sensors, Hydraulic Pump/Motor Assembly, Pressure Modulator Valve/Isolation Dump Valve and Accumulator.

### seals and gaskets

Seals and gaskets are covered in connection with the replacement of a covered component.

### exclusionary

An exclusionary plan is written so that the plan states everything is covered but a small list of excluded items.

## Benefits & Features

### Emergency Roadside Assistance -

We pay for the cost of emergency roadside services, including:

- o Towing
- o Battery Jumpstarts
- o Flat Tire Changes
- o Fuel Delivery (You are responsible for fuel costs)
- o Lockout Assistance

A+ RATING

### Rental Car Coverage

We pay for the expense of a rental car when your vehicle is being repaired for covered repairs.

### Trip Interruption Benefits

In the event you experience a breakdown 100 miles away from your home, we will pay for a portion of your meals and lodging for covered repairs.

### Nationwide Protection

All of our plans can be used nationwide, so if you are traveling and experience a breakdown, you can rest assured your plan will be accepted.

### Transferable Coverage

If you sell your car, you can transfer the coverage to the new owner, which increases the value of your vehicle!
